

SPHERE AUTOMATIC MINI WASHING MACHINE

The latest addition to the Sphere range is this 2.5Kg capacity washing machine. The need to wait your turn to use the caravan park laundry is over because you are now able to travel with fewer clothes and do your laundry at your convenience.

The Sphere Automatic Mini Washing Machine has 5 process settings. From a wash-rinse-spin cycle (approx 38mins) to a simple spin cycle (approx 7mins).

SPHERE AUTOMATIC MINI WASHING MACHINE

Wash settings are set via the easy to use control panel. This washing machine is suitable for cold wash only but has the versatility of having the drainage hose outlet on either the left or right hand side of the machine.
